

Paging desk microphone compatible with the MX-1800 matrix. Allows to manage the broadcasting of announcements or messages to 8 zones, with independent message broadcasting.

- ✓ Clear signal level indication.
- ✓ 2 types of built-in pre-warning chimes.
- ✓ Adjustable MIC and chime volume.
- ✓ Gooseneck type microphone.
- ✓ RJ45 interface for MIC connection, supports daisy-chaining.

Technical characteristics

Model	MX-1800
AC Power supply	~220V/50Hz
Input Sensitivity MIC1	45±5 mV
Input Voltage (Balanced)	2000±100mV
Output Voltage (Balanced)	2000±100mV
Output Level Chime	≤1000mV
MIC Frequency Response	100Hz~15kHz (±3dB)
Noise	<1.5mV
Distortion	<0.5%@1KHz
Connection	RS485 + Analog audio signal
Dimensions	231.5mm*145.5mm*67.5mm
Weight	1.75Kg
